Would like to start out with a big thanks to Chuck KA7HJN and Adam KD7TQX for making the presents of amateur radio at a recent boy scout jamboree a success. But as usual, it takes more than two to tango. Thanks is also in order for Armand KA5BBG and his sister Margaret. They were among those who helped make this work for both the boys and the club. **Thanks** from the club and the boy scouts.

CQ! CQ! CQ! Need help from the members. We have made plans and funding available to redo the handicap ramp at the rear entry of the clubhouse. The plan is to make a cement ramp that comes straight off the porch. (Where the steps are now). What we need is someone with enough cement experience to make a cement ramp. If you know enough about cement work to perform this job please contact me or any of the board members. We would like to get this project started as soon as possible.

Field Day turned out great. Field day went very well this year. Dawn and I arrived about 6:00pm on Friday evening. The towers and most of the antennas were already up. I set up my motorhome and wandered around to help with

the remaining set up. There was a second canopy being set up for the food area, and some trailers being brought in for station set up. I found plenty of things to help with, as well as got some pictures. We woke Saturday morning to a light drizzle, but by mid morning it had cleared and started to get pretty warm. I spent the rest of the day in shorts and a tank top. Sunday was nice weather too. It stayed dry for the entire day. Michael, KB7ZDR and Rich, N7ANF did a splendid job of keeping the troops with food and drink. The pot luck on Saturday evening went very well and for the hungries in the middle of the night, Cheryl, KE7AWU had prepared a giant pot of her famous clam chowder. It was wonderful (I had 2 bowls). We were graced with several visitors, including a councilman from Fircrest. So much for field day briefing. I am going to leave the real reporting to the real talent. Nick, K7MO, and Rich, KR7W did all the hard work to make this years field day such a success. I think we should all give them a big thanks. This is not just a quick easy job. Nick and Rich have been preparing this since the end of last years event. **Thanks Guys! Great Job!** Look for a full report in next months issue.

Radio Club of Tacoma Meeting Minutes

BOARD MEETING MAY 5, 2005

The meeting was called to order at 7:30 PM by President Mick KK7QS. Officers and Board Members Present: President, Mick KK7QS; Secretary, AL K7HW; Treasurer, Pat KD7TRC; Board Members, Gary WG7X, Rodney WV7O, Bill AB7WJ, Frank AC7JY. Visitors: Nick K7MO, John AC&WW, Rick N7ANF, Rich KR7W. Previous minutes of Apr 6, 2005 were read and approved.

OLD BUSINESS: Nick discussed materials needed to completion the Field Day electrical distribution system. Nick moved that the RCT approve moneys not to exceed \$250.00 to purchase 200 feet of 8/4 SO cord and fittings. Motion was seconded by Frank AC7JY. Motion carried. There was discussion on reestablishing the Long Range Planning Committee. There were several members who volunteered to serve on the committee. An individual to Chair the committee and its membership will be announced in the near future. There was discussion on membership renewals and recruiting new members. Some ideas are being instituted, others are under study. A lively discussion was enjoyed on welcoming visitors to the RCT meetings. **NEW BUSINESS:** There was discussion on facility maintenance. Immediate items for consideration were squirrels in the attic, rotting storm windows, handicap ramp, roof cleaning.

The W7DK web site is up and running (www.w7dk.org) all members should visit the site and sign up for the W7DK YAHOO GROUPS. A great way to discuss amateur radio with club members and ask technical questions.

Chuck KA7HJN will represent the Radio Club of Tacoma at the Boy Scout encampment at Eatonville on May 21 and 22, 2005. He is taking radios and antennas. Several members have volunteered to assist. The meeting was adjourned at 8:55 PM.

Respectfully submitted,
CECIL A. BURLESON K7HW
Secretary

MONTHLY BUSINESS MEETING MAY 11, 2005

The meeting was called to order by President Mick KK7QS at 7:30 PM.

Mick KK7QS led the membership and guest in the Pledge of Allegiance to the Flag of the United States and conducted the introduction of members and guest. There were 47 members and 5 guest present, the sign in rosters are attached.

Correspondence: Membership renewals, QSL Cards, bank statements.

Report: The Treasurer made copies available.

Financial
Announcements: The local ARES Coordinator in need of members to operate the Mobile Communication Vehicles. Interested members should contact Jim Lawrence N7RHX. The RCT Club Roster is due out in two weeks, members need to renew now or you will not appear in the new roster.

Nick N7MO discussed preparations for Field Day. The power distribution system upgraded has been completed and there should not be any big voltage drop at the end of the system this year. Everyone should come out and operate the radios at field day. A number of members related their first field day experiences, an event they will never forget. This proved very entertaining and highly informative.

Program: There was no program scheduled for the evening. There will be a cake and ice cream eyeball social to follow the meeting. The door prize, The Helping Hand Soldering Unit, was won by Dan W7SIM. The raffle was won by Dawn KC7VZM who donated the proceeds to the field day bus. The meeting was closed at 8:30 PM. Cecil A. Burleson K7HW
Secretary

GENERAL MEMBERSHIP MEETING MINUTES May 25, 2005

The May 25, 2005 General Membership meeting was held at the Pierce County Library Administrative Center. President Mick Pier-KK7QS called the meeting to order at 7:30 PM.

INTRODUCTIONS: Introductions were made. There were four guest and forty four members present, sign-in sheets are attached.

ANNOUNCEMENTS: Chuck Souter-KA7HJN represented the Radio Club of Tacoma at the Boy Scout camp out in Eatonville on May 20 and 21 2005. The Scouts presented The Radio Club of Tacoma a Friend of Scouting Award for our participation.

PROGRAM: Nick Winter-K7MO gave an update on the upcoming Field Day preparations. Several members described their first field day experiences. There was a short video produced by ICOM covering the activities at the annual Dayton, Ohio Ham Fest.

DOOR PRIZE: The Road Atlas was won by Frank Palmer-AC7JY. The Raffle was won by Rick Leary-W7LKG.

The meeting was adjourned at 8:40 PM.

BOARD MEETING JUNE 1, 2005

The June 1, 2005 Board Meeting was held at the Radio Club of Tacoma. President Mick Pier-KK7QS called the meeting to order at 7:30 PM.

INTRODUCTIONS: Introductions were made and a sign-in sheet was circulated. Officers and Board members present were: Mick Pier-KK7QS, Jil Palmer-K7JIL, Al Burleson-K7HW, Pat Wingerter-KD7TRC, Bill Jones-AB7WJ, Rodney Saucedo-WV7O, Frank Palmer-AC7JY, and Lynn Neece-K7OKS. The sign-in sheets with names of members and visitors is attached.

THIS WAS THE STN AT BAKER CREEK

*Home at last Rich - your QSL
 card lent me to it!
 Many thanks
 David*

I was listening to the 40 meter CW band and heard a loud signal calling CQ. The call sign VE7/G40GW seemed odd to me and did not register right away that this was an amateur operator from England who was operating from British Columbia, Canada. The ham, David, was "on holiday" at Baker Creek, BC. We had a long and enjoyable CW QSO until his YL called him to get off his radio and get some breakfast. The neat-o thing about this card is that David made it. The photos are real photos cut out and pasted to the card stock. 72r5 de Rich KR7W

INTERNATIONAL LIGHTHOUSE/LIGHTSHIP WEEKEND 20/21 AUG 2005

Today is Tuesday 14 June 2005 and already 154 stations in 31 countries have confirm their participation in the International Lighthouse/Lightship Weekend 20/21 August 2005. A list of the stations with QTH and QSL information can be found at http://illw.net/2005_list.htm. If you are joining us in the fun of the weekend please listen out for other lighthouse or lightship station. We wish to remind non-US CW stations to operate above 14.225 to allow access by Advanced Class US amateurs. Operations below 14.225 just eliminate the potential for some US hams to work the LH stations. Last year there were 376 lighthouse/lightship stations QRV during the weekend. So come and join us in the fun of the weekend and make a total of over 400 lighthouse/ship stations. An entry form can be found on the web page illw.net

What Do you Do with A Rubber Ducky? By Rich N7ANF

Hey it's July and that means June is all gone and I didn't even notice. I think I should check to see what year it is. With my health getting better, (Dr. says: my energy/stamina level is 10% better than the average guy my age, with a GOOD heart,

wow), I'm having so much fun every day with my new found scatter-brained/A.D.D., (Dr. took away my beta-blocker, here comes the adrenaline back, everybody duck) I don't know what project to work on first. Always have the choice of a nap. That works.

And speaking of projects, I've got my Ringo-ranger back together. It checks out 1.1 to 1 at 146 Mhz. For our new people that's from Cushcraft and its two 5/8ths stacked verticals, about 2 1/2 times the gain of a 1/2 wave wire or a dipole. It will be going back up about 40 feet. Then I'll be

able to work the county and beyond. I did get into Portland one time a few years ago. And a big thank you to whoever left an old two-meter 7 element yagi lying by the clubhouse garage last month. A little scotchbright and TLC, and it should work fine.

As you read this, Field Day will be over for another year, all the fun and long hours and of course all the good food. Thank You ladies for bringing your yummy potluck dishes. And the help cleaning up and tearing-down is always appreciated. The first general meeting in July we should hear how we did. A critique with applause and laughter, and a little hind sight.

I'll see you on the 6th or the 13th.
Rich.....N7ANF...73

AARL RCT VE Team Report

by John Clark e AC7WW

The June 14th VE Examination session saw more candidates than VE's. We had seventeen candidates. Elements passed were as follows: Element 1, 1 pass. Element 2, 6 pass. Element 3, 2 pass and Element 4, 1pass. We have 5 new Technicians, 2 Generals and 1 Extra in the Amateur Radio Community. Nine candidates did not upgrade at this session. Of the nine, two were just paper work. Thanks to all the VE's that participated at this session. Without your help we would not be able to conduct the testing sessions.

John Clarke AC7WW

VISIT THE W7DK WEB SITE

www.w7dk.org

(MEETING MINUTES CONTINUED FROM PAGE 5)
MINUTES FROM PREVIOUS MEETINGS: Minutes were carried over awaiting corrections.

SECRETARY'S REPORT: Al-K7HW reported the usual bank statements, renewal applications, and advertisements.

TREASURER'S REPORT: Pat-KD7TRC covered the current Treasurer's report.

COMMITTEE REPORTS: Nick-K7MO gave an update on Field Day including efforts to invite recent licensees to attend and participate in the activities.

OLD BUSINESS: Mick-KK7QS will write a letter to our neighbor to the east requesting removal of the recently

installed fence that encroaches on club property.

NEW BUSINESS: Frank-AC7JY moved that the Board approve funds in the amount of \$40.00 to cover the cost of purchasing a letter folding machine. There was a second and the motion carried. Pat-KD7TRC moved that excess wire and materials left over from the recent upgrade to the field day power distribution system be sold and funds received deposited in the club account. There was a second and the motion carried. A motion was passed to adjourn the meeting at 9:15 PM.

The next meeting will be on July 6, 2005. Minutes were prepared by Al Burleson-K7HW, Secretary.

Pacific Northwest Hamfests

From the website of Lynne Burlingame N7CFO

June 17-19, 2005. Sea-Pac Hamfest. Seaside Convention Center, Seaside, Oregon. This is the ARRL Northwest Division convention, and it is a popular one! Seaside is a popular resort area, and the family and kids will enjoy touring the area while the ham in the family attends the festivities. Exhibitors Call: Al Berg, W7SIC (503)816-7098. Registration info call Will Sheffield, N7THL. (503)642-7314. Email n7thl@juno.com. www.seapac.org/.

July 15-17, 2005. Glacier Waterton International Peace Park Hamfest. The Waterton-Glacier International Peace Park Hamfest will once again welcome amateurs from the U.S. and Canada at the Glacier Meadows (Formerly the Three Forks) Campground near Essex, Montana. The Hamfest is always held on the third full weekend in July. Further Information about past hamfairs can be found at: <http://www.gwhamfest.org/>

July 30, 2005. Chehalis Valley Amateur Radio Society Hamfest. Lewis County Fair Grounds, Chehalis, WA. There will be in an outdoor covered area with tables available and tailgate space for those that want to provide their own. For additional details, contact John Ellingson, K7OSK, k7osk@boatanchor.com. [Flyer in PDF](#) (29K)

August 7, 2005. Jefferson Amateur Radio Society (Jars). 23rd Annual Swap and Potluck. Lake Selmac, Oregon. Lake Selmac is located about 20 miles SW of Grants Pass, OR on hwy 100/ www.jars-orca.org. For information call, Stever grajeda, WB6YQP, (541)479-4772. wb6yqp@rascals.org. [Flyer in PDF](#). (39K)

August 13, 2005. Hamfest - Swapmeet. Bandon, OR. (Note new date!!!) Located at the "Barn" (Bandon's Community Center). Sponsored by the Coos County Radio Club. Flea market, VE sessions, Vendors & Door prizes. Contact Paul, K7AIA at (541)888-2050 or k7aia@arrl.net. [Flyer in PDF](#). (53K)

August 13, 2005. Radio Club of Tacoma Hamfest and Electronics Flea-market 2005! 9:00 a.m.- 3:00 p.m. Bethel Junior High School, 22001 38th Ave E., Spanaway, WA. \$5.00 admission fee, Table fee: \$20 non-commercial \$30 commercial. Contact Frank E Palmer, AC7JY, (253)539-7772 or email AC7JY@msn.com. www.w7dk.org

August 13, 2005. Christina Lake Amateur Radio Picnic/Campout. Christina Lake Motor Inn, Christina lake, BC, Canada. BBQ's and camp stoves will be provided. Pancake breakfast at 0900. Potluck picnic at 1400. For information, contact janroy@shaw.ca, (250)497-6136.

August 13, 2005. The 8th Annual Greater Portland Insulator Swap. Located on Mt. Scott in southeast Portland -- 9999 SE Frenchacres Dr. Portland, OR Starts at 1:00 pm and runs until early evening. No charge. Tables and light refreshments provided. Everyone is welcome and families too. Bring insulators and related items to sell, swap, or show. This is an informal format in a big shady backyard. RSVP appreciated so that we can plan the food. For more information contact Dan Howard (503)761-7799 email strains@msn.com.

August 20, 2005. Longview Hamfair. Castle Rock Fairgrounds. Sponsored by the Lower Columbia Amateur Radio Association. Tailgate vendor space and RV parking is available. For information contact Bob, KB7ADO, KB7ADO@aol.com. [Flyer in PDF](#), (37K) [Map in PDF](#), (31K)

August 21, 2005. Antique Radio Swap Meet. Sponsored by the Puget Sound Antique Radio Association. 9 AM to 1 PM. Shoreline museum parking lot. N. 175th & Linden, Avenue, North Seattle. One block west of Aurora Ave. or one mile west of I-5, exit 176. This is the best antique swap meet of the year. Set up seems to start before dawn, so get there early. Free admission.

Repeater Critters

Number 16 in the Series:

Invisi-Ham

(submitted by WG7X)

The invis-ham is a hard one to spot because of his shy and retiring nature. Invisi-ham shies away from announcing that he/she is listening to the repeater and might be available for a chat. He can only be spotted as he *leaves* the area. When leaving the repeater and/or turning off his rig, Invisi-ham invariably gives his call sign, and announces that so-and-so is now clear/QRT/destinated/whatever. Then and only then will you know that you have heard the shy Invisi-ham!

Invisi-ham **NEVER** announces his/her presence while he is actually listening and available for a chat! NO! That would be totally against his nature. He will only announce his leave-taking, leaving those listening to wonder if he was ever really there?

So, the next time that you are monitoring what seems to be a silent repeater, give a call for the Invisi-ham. Who knows? He might actually answer! Of course, you will just have to call at random, since we never know who's out there do we?

Remember to send your spotters logs to: WG7X@arrl.net
